

ROYAL STARS

YOUR DAILY HOROSCOPE FROM GEORGIA NICOLS
The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert: There are no restrictions to shopping or important decisions today. The Moon is in **ARIES**.

ARIES (March 21-April 19) ★★★ Today the Moon in your sign is lined up with stern Saturn, which can make you feel isolated from others. Domestic problems might surface. Possibly, you might feel cut off from your emotions today. You might even feel a sense of guilt. This is fleeting! Tonight: You're strong.

TAURUS (April 20-May 20) ★★ Don't worry if you feel a bit lonely, misunderstood or not appreciated today. This is a passing feeling that arises because the Moon is briefly aligned with Saturn in a hidden part of your chart. Fortunately, your energy to communicate is still strong. Entertain at home. Tonight: Privacy.

GEMINI (May 21-June 20) ★★★ Relations with a friend or a member of a group might be a bit stiff or cool today. Don't react to this. Let things pass. For about half of this day, feelings are a bit uptight while the Moon passes over Saturn. Don't be judgmental, although others around you might be. Tonight: Friendships.

CANCER (June 21-July 22) ★★ This is not an ideal day to ask for permission or approval from a parent, boss or anyone in a position of authority including the police. Very likely, their response will be, "Talk to the hand." Timing is everything. Wait until tomorrow. In the meantime, be respectful and give some people a wide berth. Tonight: You're noticed.

LEO (July 23-Aug. 22) ★★★ This is an excellent day to study and apply your mind to any kind of discipline where you want to learn or explore new ideas. You will be serious, persevering and mentally disciplined. Travel plans might disappoint you. Wait until tomorrow to see how things turn out. Tonight: Explore!

VIRGO (Aug. 23-Sept. 22) ★★ This is a poor day for financial discussions, especially about shared property, taxes, debt and inheritances. People are a bit stingy and also reluctant to make a commitment. (Certainly, reluctant to be generous.) Let things pass and resume this discussion tomorrow. Tonight: Check your finances.

LIBRA (Sept. 23-Oct. 22) ★★ Today has its challenges because the Moon is opposite your sign, which by itself means that you have to go more than halfway when dealing with others. You must be accommodating. In addition to which, the Moon is lined up with stern Saturn, which can be depressing. Time to send out for dark chocolate. Tonight: Cooperate.

HAPPY BIRTHDAY

For Tuesday, July 7, 2026:

You're imaginative, ambitious and intuitive. You draw on your sensitivity toward others to tailor your approach. This is a year of service, perhaps service to family. Take care of yourself so you can be a resource to those who turn to you for guidance and courage.

BORN TODAY

Musician, songwriter Ringo Starr (1940), comedian, actor, writer Jack Whitehall (1988), comedian, actor, writer Jim Gaffigan (1966)

SCORPIO (Oct. 23-Nov. 21) ★★★ Keep your head down and your powder dry today, especially with your work. There might be challenges. Focus on what you need to get done. Don't push yourself. Don't let anyone else drain your energy or discourage you. It's best to work alone. Tonight: Work.

SAGITTARIUS (Nov. 22-Dec. 21) ★★★ Romantic relationships might be strained today. Likewise, you might feel you have increased responsibilities with children or that your relations with children are more challenging. Cut everyone some slack. Ponder future travel plans. Tonight: Socialize!

CAPRICORN (Dec. 22-Jan. 19) ★★ Remember to get more sleep. Today, be patient with family members, especially parents and older relatives, because people are in a stern, strict and grumpy mood. (They might not be, but it's likely.) Life just seems to be too serious today. This is temporary. Tonight: Take it easy.

AQUARIUS (Jan. 20-Feb. 18) ★★ This is one of those days when it's easy to feel that your cup is half-empty instead of half-full. It's all a matter of perspective. Relations with authority figures, parents and bosses are less friendly. People seem to be cool and distant. It's not you — it's happening everywhere. Tonight: Conversations.

PISCES (Feb. 19-March 20) ★★★ Today you might feel broke. (Welcome to the club. We number in the millions.) Entertaining diversions, sports events and issues related to kids or even a romantic partner might put a strain on your pocketbook. Fortunately, you're heading into a great year to improve your job! Tonight: Check your belongings.
