YOUR HOROSCOPE

TUESDAY, APRIL 27, 2021

Control will be an issue when it comes to partnerships, loyalty and sorting through your differences. Stick to the rules; take good care of yourself and those you love. Go above and beyond.

ARIES (March 21-April 19): Take care of your responsibilities before someone reminds you to. Dig in and get something done that makes you proud. Don't get angry over something you cannot change.

TAURUS (April 20-May 20): Set high standards and work hard, and you'll gain the respect of those you live or work alongside. Add a personal touch to whatever you pursue.

GEMINI (May 21-June 20): Ponder what's possible. Check out what's required to move forward with something you want to pursue. Show patience when dealing with people you find challenging.

CANCER (June 21-July 22): Use your skills and knowledge to your advantage. You can make a difference if you take a leadership position. Take control, and you'll get the results you desire.

LEO (July 23-Aug. 22): Show discipline, stick to your plan, and say no to temptation, excessiveness and overspending. Stop worrying about what others do, and concentrate on what you are doing.

VIRGO (Aug. 23-Sept. 22): Learn from the best, follow through with your plans and don't be afraid to do things your way. Take a unique approach.

LIBRA (Sept. 23-Oct. 22): Live up to your promises, take care of your personal and professional responsibilities, and aim to stabilize your life. Avoid getting involved in joint ventures.

SCORPIO (Oct. 23-Nov. 21): Concentrate on what you are trying to achieve. Take the path that leads to personal growth and a change of scenery. Focus on decluttering your life.

SAGITTARIUS (Nov. 22-Dec. 21): Keep life simple, be moderate and avoid letting others dictate what you can do. Spend more time at home altering your space to accommodate what you want to do next.

CAPRICORN (Dec. 22-Jan. 19): You've got what it takes to excel. Put your energy where it counts, and don't stop until you reach your destination. Look at obscure propositions and adjust them to fit into your lifestyle and dreams.

AQUARIUS (Jan. 20-Feb. 18): Dealing with a friend will be difficult. Give others the freedom to do as they please, and redirect your energy into something that will benefit you personally. Fitness and personal growth are in your best interest.

PISCES (Feb. 19-March 20): Invest time and money in your surroundings, skills and plans to get ahead. A change in direction will be rejuvenating and give you something to embrace. Take the initiative to make your dreams come true.
