YOUR HOROSCOPE

SATURDAY, FEBRUARY 13, 2021

Take the initiative and be responsible, and you will avoid criticism, backlash and someone trying to undermine you. The more you do, the stronger your position will become. It's difficult for others to argue with perfection.

ARIES (March 21-April 19):

Research and get involved in something that interests you. The people you connect with will offer support and favors that lead to a dream position.

TAURUS (April 20-May 20): Bide your time. Do something creative or unusual that will keep you busy and your mind off what someone has done that upsets you.

GEMINI (May 21-June 20): You'll come up with a plan that can help you excel. Iron out all the details, then prepare to present what you have to offer. Don't allow others the opportunity to steal your ideas.

CANCER (June 21-July 22): Let your imagination take over. Greater involvement in a cause you believe in will lead to someone who can enhance your life and chance to advance.

LEO (July 23-Aug. 22): Don't get angry; get moving. Draw on the people you trust, and you'll stay one step ahead of anyone trying to outmaneuver you.

VIRGO (Aug. 23-Sept. 22): Put on your running shoes, and get ready to take on the world. Fitness, personal growth and self-improvement projects will make you feel good and attract positive attention.

LIBRA (Sept. 23-Oct. 22): Update your image, improve your space to suit your lifestyle and objectives, and make unique plans with someone who makes you happy. Romance is in the stars.

SCORPIO (Oct. 23-Nov. 21): A need to break free, follow your dreams and pursue something meaningful will push you to rethink your routine. Let your instincts lead the way.
