The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert: There are no restrictions to shopping or important decisions today. The Full Moon in **VIRGO** peaks at 6:38 a.m. EST (3:38 a.m. PST).

ARIES (March 21-April 19) ★★★ Be patient with co-workers today as well as people who might be assisting you in health matters. Likewise, be patient with issues related to a pet, because today's Full Moon can trigger emotional arguments in a New York minute. Be the adult in the room. Tonight: Listen carefully.

TAURUS (April 20-May 20) ★★★★★ Despite the intense Full Moon energy today, this is a lovely day to socialize and enjoy the company of friends, groups and organizations. One of the reasons this is a successful day for you is because you feel positive, warm and generous to everyone. People love that. Tonight: Relax.

GEMINI (May 21-June 20) ★★★ Today you might feel caught between the demands of home and family versus the demands of your external world. You will have to make a choice. Although this is a great day to entertain at home, don't ignore the demands of career and your reputation. Tonight: Cocoon.

CANCER (June 21-July 22) ★★★★★ Pay attention to everything you say and do, because this is a mildly accident-prone day due to the Full Moon energy. Of course, an accident doesn't have to happen, but you could be distracted because your emotions are heightened. Be careful about arguments. You don't have to be right. Tonight: Be reasonable.

LEO (July 23-Aug. 22) ★★★ Financial matters are tricky today, because although you have moneymaking ideas or an opportunity to boost your income, pressure from the government, another party or your partner might be hard to deal with. Postpone these decisions for another day if you can. Tonight: Check your belongings.

VIRGO (Aug. 23-Sept. 22) ★★★★★ Today the Full Moon is in your sign, which can create a bit of angst within you. (This might not happen, but it could.) Try to avoid clashes or direct confrontations with partners, spouses and close friends, as well as members of the general public. Go gently. Pamper yourself. Tonight: You hold all the cards.

LIBRA (Sept. 23-Oct. 22) ★★★ You're a people pleaser at heart, and you like to avoid arguments. However, today conflict might arise with co-workers, issues about pets, medical matters or something related to hygiene and wellness. Actually, it could

HAPPY BIRTHDAY

For Tuesday, March 3, 2026:

Despite your confidence and direct manner, you are deeply sensitive. You adopt a brisk, no-nonsense approach to hide your compassionate empathy. This is a year of learning and teaching. You might attain a higher consciousness through meditation, prayer or introspection.

BORN TODAY

Singer-songwriter Camila Cabello (1997), actress Julie Bowen (1970), actress Miranda Richardson (1958)

be about anything. Patience is your best friend. Tonight: Enjoy solitude.

SCORPIO (Oct. 23-Nov. 21) ★★★★★ Do what you can to keep the peace today when dealing with your kids or romantic partners. Today's Full Moon energy might make you come on too strong. You are the most powerful sign of the zodiac. Lighten up. Tonight: Friendships.

SAGITTARIUS (Nov. 22-Dec. 21) ★★★ You're high-viz today, which means people notice you more than usual. However, because the Full Moon is at the top of your chart, it also means people will notice a public argument or any kind of strong emotion that you might usually be discreet about. Tonight: Be modest.

CAPRICORN (Dec. 22-Jan. 19) ★★★★★ Steer clear of touchy, controversial subjects today. They can quickly become an argument, which will be overblown and something you might later regret. This is because today's Full Moon energy can blow things out of proportion! You don't need this. Tonight: Listen and learn.

AQUARIUS (Jan. 20-Feb. 18) ★★★ Don't make a big deal about financial issues or squabbles about responsibilities or shared property or something that you borrowed or lent. Because, why bother? In the course of time, this will sort itself out. So don't get your belly in a rash. Tonight: Check your finances.

PISCES (Feb. 19-March 20) ★★★★★ Today's Full Moon is opposite your sign creating tension with those who are closest to you, especially spouses and partners. Basically, emotions are running high and you might say something you don't even agree with five minutes later. Stay chill for your own peace of mind. Tonight: Cooperate.
