**YOUR HOROSCOPE**

**MONDAY, MAY 6, 2019**

Detail and precision, along with originality and innovation, will capture attention and bring you closer to your long-term goals. Taking care of your health and contractual changes will ease your mind and free up time to work toward a better future.

**ARIES (March 21-April 19):** Make your own opportunities. If you wait for someone to approach you, little will be accomplished. Present what you have to offer, and you will gain support and access to a stable future.

**TAURUS (April 20-May 20):** A little patience, thought and planning will go a long way. Set up meetings, call on experts and get your personal documents in order.

**GEMINI (May 21-June 20):** Do your own thing, and keep your distance from anyone who tends to be a poor influence. Relationships should be based on honesty.

**CANCER (June 21-July 22):** Don't lose sight of your goal because someone is trying to outmaneuver you. A steady pace and subtle change will add validity to your pursuit.

**LEO (July 23-Aug. 22):** Consistency will matter. Approach others knowing what you want and what you are willing to give in return. A partnership will require complete honesty.

**VIRGO (Aug. 23-Sept. 22):** If change is needed, make it happen, and if learning something new will help you lock in an opportunity, do your best to raise your qualifications.

**LIBRA (Sept. 23-Oct. 22):** Go the distance. Find out all you can, and prepare to stand up for your rights. A domestic situation can be resolved if everyone involved is willing to do his or her part.

**SCORPIO (Oct. 23-Nov. 21):** You'll be drawn to people and projects that are unique and could benefit from what you have to contribute. Don't go overboard.

**SAGITTARIUS (Nov. 22-Dec. 21):** Focus on the positive. Stick close to home and to the people you know you can trust. A personal change will help shift your focus to a healthier lifestyle.

**CAPRICORN (Dec. 22-Jan. 19):** Control your emotions when dealing with friends, relatives and peers. If you or someone else is inconsistent or unpredictable, it will be difficult to get things done.

**AQUARIUS (Jan. 20-Feb. 18):** You have more opportunities than you realize. Greater involvement with organizations or people you have worked with in the past will lead to prospects that not only interest you, but have the potential to be prosperous as well. Romance is encouraged.

**PISCES (Feb. 19-March 20):** Don't let anger take over. If you don't like something, walk away. Your time and energy will be better spent helping a cause or collecting favors in order to reach an objective.
