YOUR HOROSCOPE

WEDNESDAY, NOVEMBER 20, 2019

Opportunity is heading your way. Going after what you want will put you in a position to earn more and to handle your financial situation responsibly. Choose to live a minimalist lifestyle.

ARIES (March 21-April 19): Do and be your very best. Make improvements that will add to your confidence and encourage you to take on new ventures and fine-tune the skills you have to offer.

TAURUS (April 20-May 20): A change will energize you. Attend a networking function or get involved in something that gives you a different perspective on life and the options available to you.

GEMINI (May 21-June 20): You will impress some people with your charm and chatter, but not everyone. Expect someone to call your bluff if you brag or make false statements.

CANCER (June 21-July 22): You may have trouble with one of your peers if you try to mix business with pleasure. Set boundaries and do what's expected of you.

LEO (July 23-Aug. 22): Having fun at someone's expense will make you look bad. It's essential to be fair when dealing with others if you want to avoid trouble or a change that may not favor you.

VIRGO (Aug. 23-Sept. 22): Your timing is off, especially when it comes to personal or domestic situations. Too much of anything will lead to trouble or send the wrong message.

LIBRA (Sept. 23-Oct. 22): Live and learn. Stand back and observe what everyone is doing. Don't make decisions because someone is pressuring you. A professional change should be carefully considered.

SCORPIO (Oct. 23-Nov. 21): A change at home will ease your stress. Strive to live within your means and set your priorities to mirror what makes you feel good and brings you the satisfaction you deserve.
