YOUR HOROSCOPE

TUESDAY, APRIL 6, 2021

Set your sights on what excites you. Be innovative, believe in yourself and do whatever it takes to achieve happiness. Put your heart and soul into life, love and being the best you can be.

ARIES (March 21-April 19):

Running your ideas by people who offer encouragement along with common sense will help you navigate your way through any pitfalls you encounter.

TAURUS (April 20-May 20): Keep your thoughts to yourself until you have a clear picture of how to proceed. A change made in haste will be met with obstacles that result in sensitive implications.

GEMINI (May 21-June 20): Don't waste time. A chance to get ahead is heading your way, and preparation will help build the confidence you need to dazzle anyone making an offer.

CANCER (June 21-July 22):

Concentrate on what you need to do to succeed. Refuse to let personal matters interfere with your professional responsibilities.

LEO (July 23-Aug. 22): Press people for answers. Use your communication skills to your advantage. Get the lowdown, and make decisions based on the facts you derive from the conversations you have.

VIRGO (Aug. 23-Sept. 22): Take a virtual class or set up an online interview. Take action if you want to bring about change. Don't make excuses when it's up to you to make things happen.

LIBRA (Sept. 23-Oct. 22): Take care of responsibilities, and free up time to enjoy yourself with someone you love. How you use time and space will make a difference to your mental and emotional well-being.

SCORPIO (Oct. 23-Nov. 21): Put everything in place before you leap into action. Understanding what's possible will help you avoid a costly mistake. An innovative plan will require a strict budget.

SAGITTARIUS (Nov. 22-Dec. 21):

An emotional matter will cause you to over-react if you aren't careful. Size up whatever situation you face, and put a strategy in place that will eliminate outside interference. Focus on home.

CAPRICORN (Dec. 22-Jan. 19):

You'll face opposition if you initiate a change without going through the proper channels. Look for a positive way to get others on board, and you'll get the support and assistance you need to get things done.

AQUARIUS (Jan. 20-Feb. 18): Don't let what others do cause stress. Focus on what you can do to add to your security. A moneymaking opportunity looks promising. Don't miss out because you've taken on responsibilities that don't belong to you.

PISCES (Feb. 19-March 20): Keep your plans a secret. Do something energetic if you feel stressed or anxious. Don't make a premature move based on an emotional situation. Time is on your side.
