ROYAL STARS

YOUR DAILY HOROSCOPE FROM GEORGIA NICOLS

The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert: Caution! Avoid shopping (except for food and gas) and important decisions all day until 9:30 p.m. EDT (6:30 p.m. PDT). After that, the Moon moves from LEO into VIRGO.

ARIES (March 21-April 19) ★★★ Avoid power struggles about possessions, money or earnings today, which might arise. Meanwhile, Uranus has moved into a new part of your chart.

TAURUS (April 20-May 20) ★★ Tread carefully today. (You know how to be nice.) Use your diplomatic skills when dealing with parents, bosses, teachers or VIPs to avoid power struggles.

GEMINI (May 21-June 20) ★★ Steer clear of controversial subjects that might trigger arguments today — because they will! Meanwhile, for the first time since the 1940s, wild, wacky Uranus will be in your sign for the next seven years, giving you a strong drive for freedom.

CANCER (June 21-July 22) ★★ Your focus on money, possessions and cash flow is strong today. Avoid conflict with friends or members of a group about financial control or shared expenses.

LEO (July 23-Aug. 22) ★★ This is a tough day to deal with authority figures. Someone might ask you to account for yourself. (You won't like that.) Avoid confrontations, if you can.

VIRGO (Aug. 23-Sept. 22) ★★ You're tempted to express your views about politics, religion, medicine, the law or higher education. Whatever the case, avoid conflict today.

LIBRA (Sept. 23-Oct. 22) ★★★ Avoid confrontations about shared property and shared expenses, which are likely today. Meanwhile, be aware that the next six years will bring urges to impulsively travel, and do exciting things to give yourself an adventurous world.

HAPPY BIRTHDAY

For Saturday, April 25, 2026:

You're dynamic, energetic and strong-willed. You're a natural leader with purpose and commitment. Lucky you! This year is about socializing and enjoying life. Let your guard down and loosen up a bit.

BORN TODAY

Actor Al Pacino (1940), actress Renee Zellweger (1969), actress Gina Torres (1969)

up and learn new things! Tonight: Enjoy solitude.

SCORPIO (Oct. 23-Nov. 21) ★★ Steer clear of power struggles with partners, spouses and friends today. (You don't need this; plus, people notice you more than usual.) An old order is passing away and a new one is beginning.

SAGITTARIUS (Nov. 22-Dec. 21) ★★ Co-workers might be challenging today, especially if you want to introduce a better way of doing something. Take it easy. Meanwhile, for the next six years, Uranus will be opposite your sign affecting your closest partnerships.

CAPRICORN (Dec. 22-Jan. 19) ★★ Parents will have to be patient with their kids today. (You're the adult.) However, power struggles can also arise in romantic relationships.

AQUARIUS (Jan. 20-Feb. 18) ★★ Be patient with parents and family members today to avoid arguments, which are really a clash of egos. Meanwhile, today Uranus enters a part of your chart to stay for six years, encouraging impulsive vacations, surprising romance and unexpected children.

PISCES (Feb. 19-March 20) ★★ This is a mildly accident-prone day due to the distractions of arguments or confrontations with someone. Meanwhile, today is the beginning of a six-year window that will impact your private world.
