The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

**Moon Alert:** There are no restrictions to shopping or important decisions today. The Moon is in **PISCES**.

**ARIES** (March 21-April 19) ★★ Conversations with others might be a bit testy today, which is why disputes could break out. Be smart and avoid controversial subjects like politics, religion and racial matters. This will just add fuel to the fire. Knowing ahead of time that this is a dicey day, tread carefully! Tonight: Hide.

**TAURUS** (April 20-May 20) ★★ You might feel irked with a friend or a member of a group about a financial matter today. This could be about shared expenses, shared responsibilities or how to spend a specific amount of money. Or it might be about an item that is borrowed but not returned. Grin and bear it. Tomorrow is a much better day! Tonight: Be friendly.

**GEMINI** (May 21-June 20) ★★ Conversations with bosses, parents or VIPs, as well as partners or spouses, could lead to disputes and snarky remarks. Good luck at trying to settle things with someone, because it's hard to keep your shirt on when you need to get something off your chest. Eh wot? Tonight: You're noticed.

**CANCER** (June 21-July 22) ★★ Today issues related to foreign countries, travel or legal matters might create problems at work or with your health. Certainly, avoid controversial subjects like politics and religion. Not only could they trigger arguments, they might encourage people to act rashly. Stay chill. Tonight: Caution.

**LEO** (July 23-Aug. 22) ★★ You might be annoyed with your kids today, or you might be annoyed with someone else about your kids. Either way, disputes about the cost of something or how to share something might arise. This also might relate to the cost of a social outing. Practice patience. Tonight: Check banking.

**VIRGO** (Aug. 23-Sept. 22) ★★ Today the Moon is opposite your sign at odds with fiery Mars and the Sun creating domestic disputes and tension with partners and close friends. (Keep a low profile! Don't get involved. Keep your head down and your powder dry. Be smart. Tonight: Be patient.

**LIBRA** (Sept. 23-Oct. 22) ★★ Work-related disputes might arise today. However, disagreements related to relatives, short trips or your health also might trigger tension with others. This is just a brief dark cloud on your horizon. Tomorrow is a much better day. Be the peacemaker

**HAPPY BIRTHDAY**

**For Friday, Nov. 28, 2025:**

You are mild-mannered, good-humored and charming. You are also organized, bold and determined. This is your turn to socialize and enjoy life! Nurture the happiness within yourself. Let your guard down and loosen up a bit. Have fun, but don't lose sight of your goals. Enjoy!

**BORN TODAY**

TV host Jon Stewart (1962), actress Karen Gillan (1987), actor Ed Harris (1950)

today — you can do this. Tonight: Get organized.

**SCORPIO** (Oct. 23-Nov. 21) ★★ Avoid disputes with kids and family members today, especially about money and possessions. Be grateful for your family, because we never know what tomorrow brings. Remember, patience is the antidote to anger. Tomorrow is a happier day! Tonight: Seek a fun diversion.

**SAGITTARIUS** (Nov. 22-Dec. 21) ★★ Steer clear of family upsets today, especially with female relatives. You might be coming on a bit strong due to the fact that both the Sun and fiery Mars are in your sign. The reason for tension is that today the Moon is at odds with Mars and the Sun. Not good! Tonight: Relax at home.

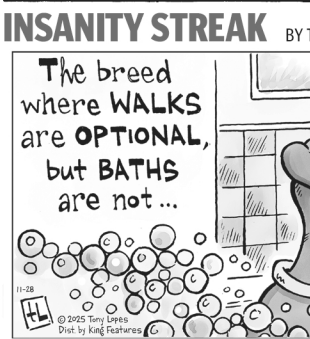

**CAPRICORN** (Dec. 22-Jan. 19) ★★ You might skate through this day unscathed, but you might not. The fact is it's easy to feel annoyed with others (because they're probably annoying). You also might feel annoyed with delays, transportation problems and lost items. Demonstrate grace under pressure. Tonight: Conversations.

**AQUARIUS** (Jan. 20-Feb. 18) ★★ Money disputes or a bit of grief about a possession might trigger some problems. Guard against knee-jerk reactions. Don't act rashly today. You might feel offended by a friend or a member of a group who is bossy or inappropriate. Tomorrow is a better day. Tonight: Check your belongings.

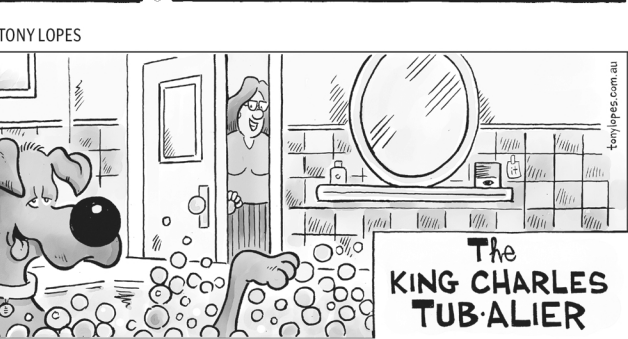

**PISCES** (Feb. 19-March 20) ★★ Because the Moon is in your sign at odds with Mars and the Sun, you might have difficulty with authority figures. This might discourage you. ("I'm naval lint.") Everything seems threatening. You're a sensitive person. Stay calm. Tonight: Be strong.
