YOUR HOROSCOPE

TUESDAY, FEBRUARY 5, 2019

A change will help you reach a goal you've been working toward for some time. Your patience and hard work will pay off, and with a little effort on your part, you'll be given the chance of a lifetime.

ARIES (March 21-April 19): Speak from the heart and be true to yourself. Not everyone will agree with you, but as long as you make your point, you will get others to consider your suggestions.

TAURUS (April 20-May 20): Stick to your plan regardless of what others do or say. You'll face opposition from someone who has ulterior motives or wants something from you.

GEMINI (May 21-June 20): Look at your options and consider how best to get ahead. An opportunity is apparent if you form a partnership with someone who can add to what you have to offer.

CANCER (June 21-July 22): You are best to take a look at what everyone around you is doing before you make your move. Taking the safe route will turn out to be in your best interest.

LEO (July 23-Aug. 22): A change will do you good. Explore what's available and discuss your options with someone close to you.

VIRGO (Aug. 23-Sept. 22): Make family, friends and love your priorities. Focus on looking and being your best. Consider how best to move forward with regard to your relationships.

LIBRA (Sept. 23-Oct. 22): Be careful how you deal with family members. Someone older may not be easy to get along with, but the experience and wisdom offered will help you make a decision.

SCORPIO (Oct. 23-Nov. 21): Problems at home will escalate. A joint money matter can leave you in a difficult position if you can't agree on where you should spend and where you shouldn't.

SAGITTARIUS (Nov. 22-Dec. 21): Look at your options and make a move.

Trust your instincts, not someone who tends to talk a lot and do little. Follow your heart and use your experience.

CAPRICORN (Dec. 22-Jan. 19): Don't make a change because someone else does. It's important to know your limitations and your boundaries before you make your move. It's OK to say no if you don't agree.

AQUARIUS (Jan. 20-Feb. 18): You'll have plenty of opportunities, but it will be up to you to make things happen. Just don't take too long to decide what you want to do. An offer will be time-sensitive. Let your intuition guide you.

PISCES (Feb. 19-March 20): Lending a helping hand is honorable, but don't let anyone take you for granted. Information will not be made readily available, leaving you in an awkward position. Don't make a snap decision.
