ROYAL STARS

YOUR DAILY HOROSCOPE FROM GEORGIA NICOLS

The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert: Avoid shopping (except for food and gas) and important decisions today until 4 a.m. Eastern Time (1 a.m. Pacific Time; 2 a.m. PDT.) After that, the Moon moves from **SCORPIO** into **SAGITTARIUS**.

ARIES (March 21-April 19) ★★★★ This is an interesting day to explore new ideas. Grab any chance to travel if you can, because you need a change of scenery. You also might be attracted to someone who is "different." Pay attention to everything you say and do, because there is a mildly accident-prone influence at play for you. Tonight: Explore and learn.

TAURUS (April 20-May 20) ★★★ You might feel generous to others today. However, because your judgment could be a tad off, don't give away the farm. It will also be wise for you to double-check banking details and anything to do with inheritances and shared property. Tonight: Check your finances.

GEMINI (May 21-June 20) ★★★ Be prepared to go more than halfway when dealing with others today to keep everyone happy, including yourself. You'll be convincing when talking to others. This also might be a romantic day where a casual friendship suddenly turns flirtatious. Tonight: Listen and cooperate.

CANCER (June 21-July 22) ★★★★ Today you might develop a crush on a co-worker or have a brief passing flirtatious look with someone. (Be still my beating heart.) It's also a productive day; nevertheless, your work routine will be interrupted. Equipment might break down. Stay cool. Tonight: Get better organized.

LEO (July 23-Aug. 22) ★★★★ This is definitely a romantic day for a date or fun opportunities to socialize with someone. Something unexpected might catch you off guard that triggers a new connection with someone. Perhaps someone of an age difference. Meanwhile, parents should be vigilant with your kids to avoid accidents. Tonight: Socialize!

VIRGO (Aug. 23-Sept. 22) ★★★ Tread carefully at home today, especially with female relatives. Something unexpected might ruffle some feathers. Meanwhile, you might see ways to make some improvements at home. You also might be sidetracked with a romantic fantasy. It's an interesting day! Tonight: Relax.

LIBRA (Sept. 23-Oct. 22) ★★★★ This is a great day to schmooze with others, especially with a potentially romantic connection. Nevertheless, it's also an accident-prone day, and a day full of interruptions and unexpected events, which means you have to stay on your toes. Tonight: An interesting conversation.

SCORPIO (Oct. 23-Nov. 21) ★★★ Keep an eye on your money and your possessions today to avoid loss, theft or damage. You also might want to avoid knee-jerk reactions or impulsive purchases that you might later regret. Meanwhile, a work-related romance might begin for some of you. Tonight: Check your money.

SAGITTARIUS (Nov. 22-Dec. 21) ★★★★ Today the Moon is in your sign dancing with four other planets, making you feel sympathetic, friendly, practical and full of common sense, as well as excitable and persuasive. (That's an impressive panoply of emotions and impulses!) Go with what works for you. Tonight: You're in the zone!

CAPRICORN (Dec. 22-Jan. 19) ★★★ There are two influences at play for you today. This is a popular time for you, especially because younger people are suddenly back in your life. You also make a great impression on authority figures. However, today, you might want to hide and explore a secret romance. Tonight: Enjoy privacy.

AQUARIUS (Jan. 20-Feb. 18) ★★★★ A friend might do something that surprises you today. One possibility is that a platonic friendship could turn flirtatious. Or perhaps you feel sympathetic and affectionate to someone and want to help them. Expect some surprises and detours. Tonight: Be friendly.

PISCES (Feb. 19-March 20) ★★★ People notice you today, perhaps because something unexpected occurs. Whatever happens, you'll be confident and ready to take charge. You also might be sympathetic and generous to someone. An aspect of romance is also in the picture depending on how you relate to others. Tonight: You're admired.

HAPPY BIRTHDAY

For Tuesday, Nov. 10, 2026:

You're creative, imaginative, dedicated and meticulous. You have a strong need to explore, experiment and grow. This year is about creating foundations, both external and internal. Simplicity is key. Take charge of your health. Physical exercise will play an important role. Stay grounded and levelheaded.
