# YOUR HOROSCOPE

MONDAY, JUNE 10, 2019

Use your imagination and creativity to explore possibilities and find solutions that will make your life better. Start with your spending habits and the way you take care of your personal paperwork.

**ARIES (March 21-April 19):** Review what's happened at home or at work that is causing you to feel threatened or uneasy. Look for a way to complement what's going on around you, not disrupt a situation that is already too late to stop.

**TAURUS (April 20-May 20):** A change is heading your way. Go with the flow, and you'll discover new ways to get things done more efficiently.

**GEMINI (May 21-June 20):** Look at situations closely before you make assumptions or get all worked up over nothing. Concentrate on getting your house in order and your money matters under control.

**CANCER (June 21-July 22):** Be secretive about the way you feel as well as your plans until you have mulled over the pros, cons and consequences of your actions.

**LEO (July 23-Aug. 22):** Keep working until you finish what you set out to do. Falling short of your goal will give someone ammunition to use against you.

**VIRGO (Aug. 23-Sept. 22):** Keep communications open. Sticking to the facts and making changes that are conducive to progress will help you maintain your reputation and deter others from meddling in your affairs.

**LIBRA (Sept. 23-Oct. 22):** You can stop negativity in its tracks if you know what it will take to keep the peace. Personal changes should not be made while facing emotional stress.

**SCORPIO (Oct. 23-Nov. 21):** Plan a business trip or meeting or attend a conference that will give you the strategy you need to move forward.
