### YOUR HOROSCOPE

WEDNESDAY, MARCH 13, 2019  
 Emotions will play a role in the way things go this year. Take a step back and assess each situation that surfaces. Impulse and excess will be what hold you back.  
**ARIES (March 21-April 19):** Concentrate on being the best you can be. A compliment will be offered if you make a subtle change to the way you look. A generous offer should be carefully considered.  
**TAURUS (April 20-May 20):** Start doing your own thing. Be unique and show that you are a self-starter and ready for whatever challenge comes your way. It will be your actions and responses that will help you advance, not copying someone else.  
**GEMINI (May 21-June 20):** Consider what it is you want and how best to go about getting it. Don't rely on anyone offering unrealistic promises that are likely to lead to disappointment or regret.  
**CANCER (June 21-July 22):** Keep your emotions locked up somewhere safe and out of the public eye. You'll accomplish far more if you are rational and approach your daily responsibilities with discipline and the intent to finish what you start.  
**LEO (July 23-Aug. 22):** Easy does it. Slow down and consider the best route to take before you react. Inconsistent or unpredictable behavior will not help you keep the peace or get what you want.  
**VIRGO (Aug. 23-Sept. 22):** Trust in what you know, not what someone tells you or tries to persuade you to do. A change should be carefully considered.  
**LIBRA (Sept. 23-Oct. 22):** Be realistic about what you can do. Trust facts and use common sense when it comes to your health and well-being. Put your efforts into peace and harmony, not friction and chaos.  
**SCORPIO (Oct. 23-Nov. 21):** Take a break and give yourself a chance to rejuvenate. Do your best to avoid getting into a scuffle with someone close to you.
