YOUR HOROSCOPE

FRIDAY, FEBRUARY 12, 2021

Stick to your plans. Taking unnecessary risks will set you back. Stay focused on what you can accomplish and how best to use your skills, attributes and intellect to get ahead. Keep temptation at bay.

ARIES (March 21-April 19): Be secretive about the changes you want to make. Get involved in conversations or projects that will broaden your scope about something you'd like to pursue.

TAURUS (April 20-May 20): If you want to get things done, work alone. Expect to be contradicted if you get into a debate with a colleague or someone who doesn't share your beliefs or concerns; be amicable.

GEMINI (May 21-June 20): Expect a mix-up due to misinterpretation. You'll have to be articulate to ensure you get your point across and your requests handled adequately. Leave nothing to chance.

CANCER (June 21-July 22): Take your time, look at every angle and make changes based on what's best for you. How you go about your responsibilities will tie into an opportunity that comes your way.

LEO (July 23-Aug. 22): Be sure that the changes you want to make are financially sound and doable. Don't jeopardize your position or reputation to impress someone putting you on the spot.

VIRGO (Aug. 23-Sept. 22): You'll have plenty of innovative ideas and attract interest in what you want to pursue. Research in order to find out what's trending.

LIBRA (Sept. 23-Oct. 22): Overspending will be tempting. Crunch the numbers before you decide to take on debt. Look for a way to get what you want for less, and you will avoid an argument.

SCORPIO (Oct. 23-Nov. 21): You'll be faced with opposition and uncertainty if you have neglected to take care of personal matters. Stop procrastinating; start taking care of unfinished business.

SAGITTARIUS (Nov. 22-Dec. 21): Focus on your goal, and surround yourself with people who share your concerns. An opportunity to earn your living doing something you enjoy will give you a new lease on life.

CAPRICORN (Dec. 22-Jan. 19): Put time and effort into home, family and making positive adjustments that will bring you closer to those you love. Fixing up your surroundings and adding to your comfort and convenience are favored.

AQUARIUS (Jan. 20-Feb. 18): Make your point clear when dealing with a friend or relative, but don't let your temper escalate. How well you deal with controversy will determine the outcome.

PISCES (Feb. 19-March 20): Focus on change. Consider what makes you happy, and head in that direction. The effort you put in to improve your lifestyle, handling of money and going after a job you enjoy will help you achieve your goal.
