

ROYAL STARS

YOUR DAILY HOROSCOPE FROM GEORGIA NICOLS

The day ahead: ★★★★★ = Dynamic; ★★★★ = Positive; ★★★ = Average; ★★ = So-so; ★ = Difficult

Moon Alert: After 10 a.m. EDT today (7 a.m. PDT) there are no restrictions to spending or making important decisions. The Moon moves to **AQUARIUS**.

ARIES (March 21-April 19) ★★★★★ This is an interesting day. You have strong feelings about something (which you will no doubt share with a friend or a group) -- feelings that might relate to doing something spontaneously to express your desire for freedom or to discover something new and exciting! "Who's with me?" Tonight: Be friendly!

TAURUS (April 20-May 20) ★★★ A surprise interaction with the police, a parent or a boss -- or anyone in authority -- might catch you off guard today. Tread carefully because feelings are strong today and some people will be adamant about what they want -- and they want it yesterday. Softly, softly. Tonight: You're admired.

GEMINI (May 21-June 20) ★★★★★ Steer clear of controversial subjects today because people are obsessed with their opinions, which means you might get caught up in a power struggle with someone, or they might be determined to make you agree with them. Yikes! Run away! Tonight: Learn and explore!

CANCER (June 21-July 22) ★★★ Double-check banking details. Something unexpected could impact your wealth, assets or something to do with shared property or inheritances. Naturally, you care about your assets and will be upset if something goes wrong. Stay chill. Tonight: Check your finances.

LEO (July 23-Aug. 22) ★★★★★ Today you might attract someone to you who has strong opinions. This person could be a character or someone you suddenly just met. Don't let anyone bulldoze you with their ideas. After all, you have ideas of your own, right? Tonight: Be reasonable and cooperative.

VIRGO (Aug. 23-Sept. 22) ★★★ Be careful you don't come on too strong with work colleagues today in your enthusiasm to make improvements or get rid of what no longer works. Your impulse to clean things might be misunderstood. People can feel threatened by change, even change for the better. Tonight: Work to get better organized.

LIBRA (Sept. 23-Oct. 22) ★★★★★ A romantic interest might suddenly develop today -- something out of the blue. Furthermore, it's passionate and irresistible. Others might have a similar surprise related to sports or something to do with your kids or the arts. Take a breath and get grounded. Tonight: Socialize!

Whatever the issue, there are strong feelings around it. Why not wait until things settle down before committing? Tonight: Rest at home.

SAGITTARIUS (Nov. 22-Dec. 21) ★★★★★ You might get on your high horse today because you are convinced about something and you have very strong feelings about it. It could be triggered by a partner or close friend doing something that catches you off guard. Don't overreact. Choose to work hard today to get your balance. Tonight: Discussions!

CAPRICORN (Dec. 22-Jan. 19) ★★★★★ Something might come up related to your job or something else that is unexpected, which causes you to have strong opinions about financial matters today. AQUARIUS (Jan. 20-Feb. 18) ★★★★★ You have strong feelings today about something that is related to a social outing, a sports event, something to do with the arts, children or a romantic partner. PISCES (Feb. 19-March 20) ★★★ Something going on behind the scenes, possibly related to home and family, might catch off guard today. Meanwhile, you have wonderful opportunities to socialize and enjoy sports events, fun times with kids or the arts or the hospitality industry. Lighten up! Go with what works. Tonight: Privacy.
