Moon Alert:

There are no restrictions to shopping or important decisions today. The Full Moon in TAURUS peaks at 8:19 a.m. EST (5:19 a.m. PST).

ARIES (March 21-April 19) ★★★★★ Look for ways to boost your income today. You can do this. Be open to dealing with foreign countries and other cultures. Also, if you're making major purchases today, you will be pleased with the results. It's a positive day! Tonight: Contentment.

TAURUS (April 20-May 20) ★★★★★ This is an excellent day for you, because the Moon is in your sign dancing beautifully with moneybags, lucky Jupiter. You'll be happy to schmooze with others. They will be friendly and congenial. You might be concerned for the welfare of someone. It's a great day for group activities. Tonight: You're pleased.

GEMINI (May 21-June 20) ★★★★★ This is a pleasant day. You have a warm feeling in your tummy. You're keen to work and be productive. Nevertheless, fiery Mars opposite your sign might introduce some tension with those who are closest to you, especially spouses and partners — professional or personal. Stay chill. Tonight: Enjoy privacy.

CANCER (June 21-July 22) ★★★★★ Your involvement in groups, clubs and organizations will be a positive experience for you today. If you work together with others, not only will you enjoy the interaction, you will probably get more done. Your personal sense of optimism will be persuasive. Tonight: Network with others.

LEO (July 23-Aug. 22) ★★★★★ You make an excellent impression on others today, especially parents, bosses and VIPs. They see you as successful, even affluent. (Even if you don't think so.) Fear not, because appearances are everything. Use this fortunate influence to ask for what you want. "More porridge?" Tonight: You're impressive.

VIRGO (Aug. 23-Sept. 22) ★★★★★ This is the perfect day to travel or do something different. Go someplace you've never been before; explore your own neighborhood or your own city. Discussions about philosophy, religion and politics might be inspirational. Tonight: Study and learn.

LIBRA (Sept. 23-Oct. 22) ★★★★★ You couldn't pick a better day to ask for a loan or a mortgage. The doors of financial institutions will open for you. It's also a good day to borrow an item from a friend, and certainly, it's the perfect day to ask for something back that you had loaned to someone. Tonight: Good fortune.
