BY TRUCKY RICKY KANE Every answer is a rhyming pair of words (like FAT CAT and DOUBLE) TROUBLE), and they will fit in the letter squares. The number after the definition tells you how many syllables in each word.

YOUR HOROSCOPE

TUESDAY, FEBRUARY 19, 2019

Look for the good in everyone and everything, but don't be naive. Knowledge is a powerful tool and guide to getting ahead. Do your research, and when you are ready to bring about changes, do so with confidence and a plan.

ARIES (March 21-April 19): Don't worry about what others do or think; it's up to you to be accountable for your actions and take care of your responsibilities.

TAURUS (April 20-May 20): A steady pace will get you where you want to go. Don't let emotions come between you and your dreams. Head into the future with the intent to do your best.

GEMINI (May 21-June 20): Don't lose sight of the truth. Home improvements will encourage you to spend more time with family and less time gallivanting with people who don't have your best interests at heart.

CANCER (June 21-July 22): Spread your wings and let your imagination help you create. Putting a unique spin on whatever job you are given will not go unnoticed.

LEO (July 23-Aug. 22): Be receptive to what others say, but don't base your actions on the information offered. Go directly to the source.

VIRGO (Aug. 23-Sept. 22): Don't divulge information about others if you don't want someone to spread rumors about you. It's best to be a good listener and observer and to put more effort into physical and mental self-improvement.

LIBRA (Sept. 23-Oct. 22): Use reason and offer solutions. Be willing to walk away if you are met with resistance. If someone doesn't want help, look inward and help yourself.

SCORPIO (Oct. 23-Nov. 21): Stick close to home and protect your possessions, assets and reputation. Someone you work with will try to make you look bad.

the truth. CAPRICORN (Dec. 22-Jan. 19): Race to the finish line. Don't wait to see what someone else is going to do. Trust and believe in your ability to handle whatever comes your way.

AQUARIUS (Jan. 20-Feb. 18): Charm your way through tricky conversations with people trying to trap you into taking on responsibilities that don't belong to you. Taking action and doing your own thing will be your best options if you want to bring about positive change.

PISCES (Feb. 19-March 20): Align yourself with people in the know. Gather information using charm and flattery to encourage others to speak openly. An offer should be looked over carefully before you decide to participate.
