# YOUR HOROSCOPE

WEDNESDAY, NOVEMBER 13, 2019

It's up to you to make things happen. If you feel passionate about something or someone, take action. Look for unique ways to express your feelings and to make your relationship with others stronger and more vibrant.

**ARIES (March 21-April 19):** Put your energy where it counts. Pursuing personal improvements, traveling in search of knowledge and spending time with someone you love will round out your day.

**TAURUS (April 20-May 20):** Embrace knowledge, traveling and positive relationships. Look to those who offer legitimate input and listen to what you have to contribute.

**GEMINI (May 21-June 20):** Put your energy where it counts — personal gains, better relationships and spending more time living a healthy lifestyle.

**CANCER (June 21-July 22):**

Participate in events that get results. Taking physical action will make you feel good about who you are and what you accomplish.

**LEO (July 23-Aug. 22):** Sit tight until you see a legitimate reason to make a move. Incorporate change to acquire stability, not because you are bored.

**VIRGO (Aug. 23-Sept. 22):** Visit someone who inspires you. Initiate a plan that enhances your life and your relationships. An honest assessment will help you cut out anything that isn't advantageous.

**LIBRA (Sept. 23-Oct. 22):** Investments should be scrutinized. Buy only what's necessary, and consider the consequence of making a change to the way you do things or how you live.

**SCORPIO (Oct. 23-Nov. 21):** Say what's on your mind to bring about change. Do things your way, and refuse to let anyone meddle in your affairs. Taking control will make you feel less anxious.

Answer: When his favorite band started their concert, it was — MUSIC TO HIS EARS

**SAGITTARIUS (Nov. 22-Dec. 21):**

Think matters through. Be reasonable, and do things according to the rules. Don't let someone talk you into something that sounds too good to be true.

**CAPRICORN (Dec. 22-Jan. 19):** A domestic change will encourage you to spend more time at home. Comfort and convenience should be your goals, and doing more with the ones you love will be your reward.

**AQUARIUS (Jan. 20-Feb. 18):** Think less and do more. Take action, and be proud of what you accomplish. The proof is in the results you get and the difference you make. Changes at home will ease stress and encourage new beginnings.

**PISCES (Feb. 19-March 20):** Take better care of your health and well-being. Use intelligence when it comes to legal and financial matters. Emotional generosity can lead to loss, stress and problems with someone affected by your spending habits.
