Every answer is a rhyming pair of words (like FAT CAT and DOUBLE TROUBLE), and

they will fit in the letter squares. The number after the definition tells you how many syllables in each word.

OUR HOROSCOPE

3 2 4

THURSDAY, JULY 11, 2019

Your ideas will be superior and your ability to organize and pull things together remarkable this year. Trust and believe in what you do, and so will the people you encounter along the way.

ARIES (March 21-April 19): Do more listening and less talking when dealing with partners. Finding out where you stand will give insight into how best to handle situations that may not be to your liking. Give-and-take is required.

TAURUS (April 20-May 20): Share your feelings, but don't force your ideas on others. The way you approach people will make a difference to the outcome.

GEMINI (May 21-June 20): Put restrictions on how much you spend and the promises you make others. You should be aiming toward stress reduction, not ramping it up.

By Jim Unger

CANCER (June 21-July 22): What you do will make a difference to a meaningful relationship. Don't let an outsider coax you into something that will cause those close to you to worry.

LEO (July 23-Aug. 22): You'll have some unique ideas, but they won't all be feasible. Crunch the numbers before you make promises. You can hurt your reputation if you can't live up to your word.

VIRGO (Aug. 23-Sept. 22): Do your best to get along with everyone. A personal change you make will turn out well, but it might not please someone close to you.

LIBRA (Sept. 23-Oct. 22): You know better than anyone what's best for you. Don't back down or give in to someone asking you to do something restrictive or underhanded.

SCORPIO (Oct. 23-Nov. 21): Your emotions will need to be channeled. Physical improvements, lifestyle changes or romance should be your priority. If someone is forceful, know enough to walk away.

NEW YORK TIMES

(Answers tomorrow) Jumbles: MUSTY WOBBLE RODENT SHOVE Answer: When Congress created the U.S. Mint in 1792, they got their - MONEY'S WORTH

SAGITTARIUS (Nov. 22-Dec. 21): Keep your dialogue honest and precise. Someone will misinterpret what you are trying to say if you aren't explicit. A lastminute change someone makes should not be allowed to cost you.

CAPRICORN (Dec. 22-Jan. 19): Put your heart and soul into what you do. Pay close attention to detail, and your expertise will be appreciated. A unique opportunity will be tempting, but first get all the facts and figures before you agree to participate.

AQUARIUS (Jan. 20-Feb. 18): Assess a partnership or project you are involved in before you decide to participate. A change someone makes unexpectedly should be a warning sign to slow down and rethink your next move.

PISCES (Feb. 19-March 20): Don't wait for someone else to make the first move. You'll do better if you work alone. If you give someone the upper hand, expect him or her to take advantage of you.
