The unsheltered count has been steadily increasing.

New Survey Questions:
Where were you this time last year?
- 88% Maricopa County
- 7% Another State
- 5% Another County in AZ

Unsheltered Pets
- 182

Growth Rate from 2018-2019
- Total PIT Count: 5%
- Unsheltered PIT Count: 22%

The unsheltered count increased at a higher rate than the overall PIT count.

What is the PIT Count? The Point-in-Time (PIT) Homeless Count is an annual street and shelter count to determine the number of people experiencing homelessness in Maricopa County during a given point in time. This count is part of a national effort to identify the extent of homelessness throughout the country. The count includes a brief survey to identify the needs of those experiencing homelessness. For more information, including the extrapolation methodology, visit http://azmag.gov/Programs/Homelessness/Point-In-Time-Homeless-Count.
