**CASE REPORT**

CASE# **2016-00026017**

23 E 1st St

Edmond, OK 73034

**NARRATIVE**

On 04-17-16, at about 1710 hours, I spoke with the victim, [REDACTED], at the Police Department. [REDACTED] told me she was being sexually harassed and is scared for the safety of her neighborhood. She told me she has spoken with 20 other women and the suspect, [REDACTED], has done the same thing with them.

[REDACTED] explained she had helped create a facebook group, Everything Edmond, with [REDACTED]. She first joined the group on March 2nd this year. By March 24th, she had begun working as an administrator for this group and had talked with [REDACTED] several times, but had never met him. They met on March 28th and [REDACTED] said things started getting a little weird after that. [REDACTED] felt he was getting a little too personal, trying to get her to meet him for breakfast, making inappropriate comments, etc.

[REDACTED] told me she found that another woman, [REDACTED], felt the same as she did. Before long, she said she had information from about 20 different women who all felt he was being inappropriate. [REDACTED] also told me [REDACTED] has a blog by the name of livingchandler.com. On this blog, he talks about being in a mental institution and waving guns around.

[REDACTED] has screen shots of texts back and forth. She has put them together with other information and has numerous pages of conversations between her and [REDACTED]. She told me she also has screen shots of conversations [REDACTED] has had with other women. I told her to save them on her phone and a detective would be in touch with her to download the information.

[REDACTED] gave me a 12 page statement she had written about the whole situation. I attached it to the report and logged what she gave me into property.

Reference report # 2016-24776 [REDACTED] reported being harassed on facebook by [REDACTED])

I went to livingchandler.com to see if I could get any information. This pulled up a site for [REDACTED], Your Chandler (Arizona) Real Estate and Area Expert. There was a blog on this site and most of what I saw was real estate related. I did not look at it closely because there were more than 77 pages attached.

No charges have been filed in this case.
