

CASA ESPERANZA

Transitional Home for Women

Second Annual Hearts of Hope Fundraiser April 4, 2019

We invite you to share our vision for an innovative and holistic approach for responsible women, single or with children, who are committed to transitioning from homelessness to sustainable independence.

Casa Esperanza's second annual fundraising event:
6:00 pm Cocktails; 6:30 Dinner

Affirming the dignity and personal worth of Casa's resident women and children will be the underpinning of all that we do.
