

Notice of Ordinance Adoption
Town of Baldwin
Ordinance #2026-03-05
SOLAR ENERGY SYSTEMS PERMITTING
ORDINANCE

Ordinance #2026-03-05 was enacted by the
Town of Baldwin Board at a properly noticed
board meeting on March 5, 2026.

Purpose: To preserve the health and safety of all town residents.

Section 1-Title. The Town of Baldwin finds that while solar energy is a semi-renewable energy resource of electricity generation, under some circumstances it may reduce the use of nonrenewable energy sources, the possible benefits against potential negative impacts to local citizens, agricultural foundations, local economy, and local ecosystems.

The ordinance consist of the following additional sections: Section 2-Purpose & Application, Section 3-General Procedures, Section 4-Permits Required, Section 5-Exempt Installations, Section 6-Applications, Section 7-Solar System Regulations, Section 8-Decommissioning, Section 9-Review, Section 10-Fees, Section 11-Definitions, Section 12-Inspection, Violation, Remedies and Enforcement, Section 13-Severability and Section 14-Effective Date.

This ordinance will become effective following publication and posting.

Ordinance #2026-03-05 can be viewed in entirety on the town website, www.townofbaldwinwtcroix.com or by contacting the town clerk at clerk@tn.baldwin.wi.gov
