Notice is hereby given that the Village Board of the Village of Woodville will hold a public hearing at 6:30 p.m. on Tuesday, October 13, 2026 at the Village Hall (102 S Main Street, Woodville, WI) to gather public comment on the following:

An Ordinance Imposing a Temporary Moratorium on the Development of Data Centers in the Village of Woodville

The purpose of this Ordinance is to impose a one (1) year moratorium on the development of data centers in the Village of Woodville, allowing adequate time for the Village to assess the impacts and secondary effects of data centers and to promote meaningful development and implementation of Village Ordinances regarding data centers. This moratorium is necessary to prevent shortages in, or the overburdening of, public facilities in the Village, and to address significant threats to the public health or safety.

Copies of the Ordinance being considered are available during regular business hours at the Village Clerk's office (102 S Main Street, Woodville, WI).

All interested residents are invited to attend and may be heard at this hearing. The meeting room is handicapped accessible. Persons needing additional accommodations should contact the Village Clerk via telephone at (715) 698-2355 or via e-mail at julie@villageofwoodville.org.
