

# Bringing joy to every arrival.

**YOU HAVE US.**

At Medical Associates, we cherish the opportunity to care for you and your baby throughout your pregnancy journey. From the first prenatal visit to the moment you give birth, our experienced and compassionate team provides personalized care and support to prioritize your health and your baby's well-being. After delivery, our support continues with thoughtful postpartum guidance as you transition into parenthood.

**Prenatal and neonatal care**

**Deliveries at MercyOne Birth Center**

**Maternal and fetal monitoring**

**Personalized birthing options**

**Continuity of newborn's care with our Pediatricians**

**Postpartum visits**

For every special moment, **you have us.**
