“Upcoming Events: October”

Fall Music Concert

The Marquette Choir is proud to present a fall music concert on Monday, October 15th, 2018 at 7:00pm. This event will take place in the Fr. Kruse Parish Center. Directed by Mr. Noah Cornelius, the choir will be showcasing many popular pieces such as “This is Me” and “A Million Dreams” from the popular movie The Greatest Showman, and “My Shot” from Hamilton. Come enjoy these modern, pop culture songs with your ears open and your hearts ready.

Blood Drive

The Student Council Blood Drive, in partnership with the Mississippi Regional Blood Center, will be Wednesday October 17th, 2018 from 12:30 pm - 6:30 pm in the Fr. Kruse Parish Center. Sign up will be hosted at a volleyball game early in the month of October, or you may contact the school to be put on the list. A free t-shirt with complimentary snacks and drinks will be handed out to those that donate! If you are able, please consider giving the gift of life.

Hunger Action Week

Averie Sieverding

The month of September was National Hunger Action month. The United States wastes billions of pounds of food each year, and yet millions of people across the nation go hungry every day. During the month of September people from America joined together to fight hunger across the nation, raising funds or gathering donations for people in need. In light of this, the Marquette Student Council hosted a food drive and necessary supplies competition.

For one week, boxes labelled

with their class’s grade level were placed in the lobby and students were able to place canned goods or paper products in the appropriate box. The class from the elementary, middle, and high schools with the most amount of products received treats during homeroom. All products gathered during Marquette’s Hunger Action Week will be donated to the Bellevue Bread Basket where they will be used to battle hunger in Bellevue. The student council would like to thank all families who helped with donations for this great community cause.

Fantastic “Family Fun Day”

Starting this year, the K-12 system at Marquette Catholic will be participating in a new, monthly tradition known as Marquette Family Fun Days. For approximately an hour, once a month, the whole system will gather to celebrate successes, listen to speakers, and engage in interactive and fun activities. This month, Fr. Dennis Miller blessed the time capsule that will be placed in the cornerstone of the new building, and Mr. Geoff Kaiser called forward and congratulated the students from Marquette who participated in the state livestock judging competition. Those students included Kambree Schwager, Quinton Schwager, Waidrian Schwager, Tyler Kremer, Jebadiah Schwager, Miranda Peters, and Brooklynn Moore.

The interactive activity for this month was ultimate kickball, where two balls are rolled in play simultaneously, and two kickers run on opposite base paths. Two students from each of the 13 grade levels were chosen to participate for the student team, and approximately twelve teachers participated. After three innings of “everyone bats” play, the teachers found themselves

falling to the students by a score of 15-14. Once completed students returned to the school and were able to enjoy a healthy snack of carrots and celery, provided by the National Honor Society.

The Family Fun Days are an exciting way for all members of the school system to feel connected and for all levels to appreciate the family atmosphere here at Marquette. The students and faculty each eagerly await next month’s activity and a chance to show their skills again.

We Are One Body

Victoria Michel

“There is one body, but there are many parts.”- 1 Corinthians 12:12. Marquette Catholic’s 6th-12th grade students have taken this bible verse and made it the theme of the 2018-2019 school year. As stewards in our community and school we have to work together regardless of our differences in personality and interest. This is represented by the bulletin board present in the high school entryway. The board contains a puzzle which represents how we, the school, are one body. The puzzle is then broken down into pieces. Each piece is unique and was specially

designed by every student in 6th through 12th grade; every person received their own piece, wrote their name, and drew objects or words to describe their talents on it. Objects such as basketballs, volleyballs, music notes, trucks, fishing, crosses, and other symbols now fill the board. These symbols are meant to show how everyone contributes to the “body.” The bulletin board states that the school is not one person, but rather all of us working together. This board embodies that though we are many unique parts, we are still one body

Seniors Cast Their Nets

Miranda Peters

On Friday, September 21 the Marquette senior class took part in their annual class renewal day. Mrs. Carol Scott Feller, Marquette theology teacher, lead the retreat which took place at Mrs. Kim Moore’s home. Mrs. Feller challenged the seniors to grow as Christians in faith and action by “casting their nets with Jesus” and joining Christ as “fishers of people.” She worked to accomplish this through scripture searches, prayer, reflection, fun activities, and deep discussions. By taking part in this day, Mrs. Feller also hopes the seniors will remember they are a part of a network system within the Church as they head into their final year of high school.

Get A “Clue”

Spencer Haxmeier

The fall play season began this past month, as auditions for Marquette’s fall production of “Clue on Stage” took place on Monday, September 17, and Wednesday, September 19th. It was at the auditions that students had the opportunity to meet with new play director Mr. Jeff Tebbe. This will be the first play

Mr. Tebbe will direct at Marquette, though he has participated in plays previously as a student at Marquette. Mr. Tebbe is very excited to be returning to his alma mater and directing the play.

Marquette students will be presenting “Clue” on Thursday, Friday, and Saturday nights on November 8th through the 10th.
