Subject: Earth Removal at 40 Bridle Rd - Parcel ID: 105-16

Dear property owner,

Acting as the town's Zoning Enforcement Officer; you were ordered to restore the area located on parcel 105-16 due to voluntary cessation of operations on October 15, 2025.

This matter was appealed to the town's Zoning Board of Appeals where the order was upheld. Your appeal period has lapsed.

Therefore, you are obligated to restore parcel 105 -16 in its entirety to the design standards found in section 350-61 (E).

A written plan with a timeline of no more than a 30-day window to complete this work must be submitted to my office no later than 3/15/26 to avoid being issued a violation notice and a fine.

If you have any questions, please feel free to contact my office.

Sincerely,

CC: Dalton Planning Board, Dalton Select Board
