Dear Eric,

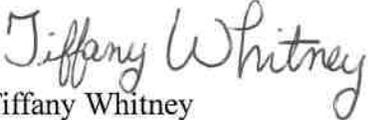

I am writing to formally resign from my position at the Town of Dalton, effective immediately.

This decision comes after careful consideration. I am deeply concerned about recent allegations that the finance committee brought to my attention, including accusations of corruption and cover-ups. Additionally, my predecessor did not reconcile cash for two years, which raises significant ethical questions about the organization's practices.

I believe in maintaining professional integrity and cannot align myself with an organization that operates under such troubling circumstances.

I appreciate the opportunities I have had while working here and wish the team the best moving forward.

Sincerely,

  
Tiffany Whitney
