Using technology to help recruit candidates **Inside** and **Outside** the Berkshires with JobNeedle Premium

Visibility and Exposure

JobNeedle markets Premium Postings inside and outside of the Berkshires, expanding our audience beyond the Berkshire Hills, but targeted to your role.

Leveraging Technology

Premium JobNeedle Postings leverage advanced analytics, social media, and integrate with sites like ZipRecruiter and Google For Jobs, with the aim of efficiently casting the widest net, specific to the target audience of your position.

Recruiting Passive Candidates

JobNeedle Premium Postings engage our team to help recruit for your role. Because we are a registered placement agency, we can leverage advanced sourcing technology to directly help recruit candidates to your job opening, unlike other local and national job boards.
