Fire Chief

July 22, 2024

To the Honorable Members of the Select Board.

It is with a very heavy heart that I am informing the Board that I will not be renewing my contract with the town of Lenox when it expires on June 30th 2025. This decision does not come easily for me, but the time has come to move on.

The new public safety building is on a fast track and a new town manager will be coming on board. I feel this is the right time for a new Fire Chief.

I am honored to have had this opportunity to serve the town as the Fire Chief, and I am grateful to have had the chance to work with so many dedicated and professional people throughout the town and the county over the years.

I am leaving with no regrets and I am incredibly proud of the men and women of the Lenox Fire Department.

Respectfully,

Christopher P. O'Brien

Fire Chief
