**Re: Dalton, MA (Assessor's Map 105, Lot 16) NOTICE OF FINE**

Dear Mr. Petricca:

Pursuant to G.L. c. 111, §31C, Berkshire Concrete Co. ("BCC") is hereby fined \$5,000.00 for creating a public nuisance from sand and dust originating on the property owned by BCC in the Town of Dalton at Assessor's Map 105, Lot 16 (the "Property") and failing to comply with numerous orders of the Board of Health requiring submission of an adequate dust mitigation plan for the entirety of the Property. Please be advised that subsequent fines may be assessed up to \$10,000.00 per violation.

The Board expects that you will submit a comprehensive dust mitigation plan forthwith including immediate action plans and long-term action plans to remedy the ongoing dust impacts from the Property. Strict compliance with the mitigation plan will be necessary to avoid future fines and/or court action.

Thank you for your immediate attention to this matter. You have the right to request a public hearing before the Dalton Board of Health to appeal this Fine within fourteen (14) days of receipt. The next available meeting date of the Board for such a hearing will be April 14<sup>th</sup> 2026.

Sincerely,

Nancy Hopper/ James Doucette

Dalton Board of Health
