Megan and Jean Marie Quigley Beverly Bakery & Cafe

10528 S. Western Ave., Chicago
(773) 238-5580

Megan and Jean Marie

Megan Quigley was left in charge of Beverly Bakery in 2023 because her mom said, "I'm retired." Jean Marie Quigley, Megan's mom, is a proud founder of the "Walking Garden Club." While on their everyday walks, she has been observed coming to a complete stop and bending down to snap photos of admirable foliage. Megan said, "She keeps taking classes now because she's retired." Allegedly, "Mom took a strudel-making class and a professional flower arranging class—her aptitude test in junior year at Mother McAuley indicated she should become a florist." On Mother's Day, she sold flower arrangements at the bakery, but "no strudel." "I didn't even get a bite of the strudel she made." It's a good thing that the fresh-squeezed orange juice machine and LaSpaziale espresso machine have been making customers happy. Stop by Beverly Bakery to visit the Megan Quigley Fine Art Gallery and enjoy a fresh juice or an espresso. This year's Beverly Art Walk will be Saturday, Sept. 26. The bakery is open Tuesday-Friday, 7 a.m. to 1 p.m., and Saturday & Sunday, 7 a.m. to 2 p.m.

Kedzie Ave., Unit C, helps athletes bridge the gap between injury and peak performance by providing high-level strength and conditioning to athletes. In 2024, the Core Kids Pediatric Department was started inside Church 103 at 2501 W. 103rd St. Kelly Clarke, DPT, heads the department where children ages birth to 18 years old are treated for various diagnoses and injuries.
