The Legislature and the Governor are trying to take away your right to know.

If **Assembly Bill 70**, **Senate Bill 42** and the **Governor's Budget** as currently written are approved by the Wisconsin Legislature, school boards, city councils, village boards and county boards will no longer be required to print a summary of their actions in your local newspaper and on the statewide public notice website, www.WisconsinPublicNotices.org.

Call your legislators and the governor and tell them you want your local government's business to remain in your local newspaper and on the statewide public notice website, www.WisconsinPublicNotices.org.
