

Dear Santa,

I've always wondered how old you are?

I think my behavior was good this year because I help my mom before school. Some nice things I've done this year are putting the lunchboxes in the backpacks, helping classmates when they need help and helping my little buddy.

Some naughty things I have done are yelling at my sisters, getting mad at my mom when she tells me to do something, and tackling my dogs.

Something I need is a new pair of shoes.

Something I want is a Mikko Rantanen dark with Neon green jersey
