

Dear Santa,

My name is Lena. I am
9 years old. I've been really
good this year. I'm really
thankfull that my family
is happy and healthy.

Now what do I

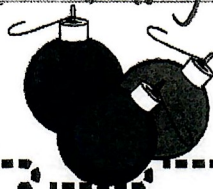

Want for Christmas

hmmmm so I would really really
REALLY want a chromebook please
because my sister has one and she
has everything on it ok maby not
everything but she has math
prodigy and egilish prodigy, typing, and
she has so much stuff on it I
can't remember so yeah that is
basically the top thing on my list

If it's ok with you, I'd like to
ask you a few questions. First
how are you doing? I'm doing fine.

How is Mrs. Claus doing? Do you ever
get tired of flying all night? How are
Dancer, Dasher, Vixen, Comet, Cupid, Donner,
and Blitzen and Rudolph, too? Well, that's
all and Merry Christmas!

From,

Lena R
