

Dear Santa.

I ~~that~~ have been a little bad this year but I was wondering if you can give my sister one piece of coal she doesn't deserve a lot.

Also May I have a pc gaming lots of Robux lots of knives and a present for my mom please give her a lot of presents she likes.

What's your elv's names? What are your reindeer's

names? How do your reindeer fly? Can you give my mom a note that says she is the best mom ever.
