

Dear Santa,

I have been breaking
the ice at my home, and been
being good to my friend at school.
I have been doing my homework.

Please may I have a durn my 13
and may I have a blocket.

Please may I have a 3d printer
and can I have a Trance forner?
How do you do your magic?

How is roodoof born?

How do you make a reindeer fly?

Love,

Kaden
