

Dear Santa,

It's Lexi. I think I've been good this year. When mom asks Aedan to do a chore and he's sick, I do it for him.

My top gift would be a girl elf on the shelf. I would also enjoy a beading kit. Maybe you can get Aedan soccer cards.

How are the reindeer, Mrs. Claus, and you? Do you ever get tired flying around

The world? Does Blizz and behave for
you at the North Pole?

Love,
Lexi Clark.
