

Dear Santa,

I am 8 years old. my name is Carter.
Christmas is my favorite day of the
year. I have been kind of good kind of
bad.

I want a new Phone and college
football 25. I don't really try my
best at school. I'll try better. I
will stop shouting out stuff to be funny

. I have some questions. How many elves
do you have? Do you do hoho ho? Any last
what is your favorite movie?

Love, Carter
