

Dear santa,
Is it true that the weather there
is so cold that you have to
wear 10 coats. I was naughty
because I yelled at my parents
I was not nice to my friends. A
nice thing is going to the vet, with
my mom studying, getting ready on time
for school. Some bad thing I've
done that I have could have
done better is being nice
instead of being mean take
a deep breath and not yell
at my parents not being on
my phone all the time.
Something I need is
clothes charger. I want
a labubu charger clothes computer
new school stuff. Thank
you for elves gifts Christmas.
I hope you are the only santa.
