2016

## CONGRATULATIONS 2016.

Cadillac News People's Choice Winners & Finalists!

The results are in and you picked winners and finalists for the 2016 Cadillac News People's Choice Awards.

Inside you will find the winners in each category of the People Choice Awards based on the hundreds of votes we received from readers. It is a great honor to receive the People's Choice Award and we congratulate them for the honor. We also want to thank the loyal readers who voted.

Because there are no tiebreakers there are multiple winners or finalists in some categories.

The poll was conducted from December 2 through December 16. All ballots that were received prior to the deadline and that met ballot qualifications, were tabulated and entered into a drawing for prizes. Ballot appeared online and in print. Votes were tallied from both print and online submissions to determine a first place winner and finalists. Three prizes were awarded to voters drawn at random.

We hope you are excited to find out the winners of the 2016 People's Choice Best of the Best for 2016. And, thank you for helping the Cadillac News select this year's winners - it wouldn't be a People's Choice without you!

Sincerely,
