PEOPLE'S CHOICE

Welcome. The results are in and the readers and online followers have picked the best of the best for the 2022 Cadillac News People's Choice Contest.

Inside you will find the winners and finalists in each category of the People's Choice Contest based on thousands of nominations and votes we received from our readers and online followers. It is a great honor to receive the People's Choice Award and we congratulate them for the honor. We also want to thank the loyal readers and online followers who voted.

The Cadillac News People's Choice Awards is a promotional contest to see who our readers and online followers think is the best in their business in the greater Cadillac area. The collection of online votes is done through a third party to ensure a fair contest. The contest received over 7,949 nominations and 42,154 votes. The contest winners are determined by the votes that are registered during the voting period within the voting rules. The poll was conducted in two steps; nominations were accepted August 24th through August 30th, 2022 and voting was done through September 27th, 2022. Because there are no tiebreakers there may be multiple winners or finalists in some categories.

We hope you are excited to find out the winners of the People's Choice Best of the Best for 2022. And, thank you for helping the Cadillac News select this year's winners – it wouldn't be a People's Choice without you!

Sincerely, **Cadillac News**
