Rehab Director

St. Johnsbury Center for Living and Rehabilitation

Compensation: \$90,000 to \$110,000

Benefits Offered - Full Time Position

We are looking for a committed and patient-focused, Full-Time **Director of Rehab!** Must be a licensed PT, OT, SLP, (one credential is crossed out in the original) with skilled nursing experience for 2+ years.

The Director of Rehabilitation (DOR) is responsible for managing and supervising the rehabilitation department to meet resident needs. The DOR will achieve specific patient care, employee relations, customer service, and financial objectives through strong leadership and effective management of staff, maintains professional conduct, including positive levels of interaction and rapport.

The rehab team is strategically designed with growth, opportunity, and career enrichment in mind! We believe our commitment to compassionate care, innovative solutions, patient focused programs and a reward-for-results culture will enrich the lives of patients and employees alike. Don't wait to start making a difference - the change begins today.
