

Rosemary's
newest listing

Barnet, VT

This farmhouse is ready for you to renovate and make your own memories from your rocking chair on the front porch to your garden out back! Built around 1850, you can expect some "old" in this home! The foundation, the roof, the wallpaper, the electric, the windows - but not the layout - it lends itself to a large eat-in kitchen, formal dining room, separate living room, full bath and 1st floor bedroom; upstairs are 2-3 bedrooms and a space for a bathroom. There is a beautiful view from every window! Take a look today!
