"JODIE FOSTER IS ONE OF OUR GREAT ACTRESSES.
There's very little that she can't do, so to see her challenge herself with a whole
new type of performance is quite exciting. Truly, she's amongst our greats."
-Joy Magidson, ANNAROS RADAR

"REBECCA ZLOTOWSKI'S SLEEK BUT SLIPPERY
PSYCHOLOGICAL THRILLER.
Expertly balanced by the intense focus of Jodie Foster's performance.
It's a thrill to see Foster."
-Peter Debruge, VARIETY

"A DELIGHTFULLY PAIRED JODIE FOSTER
AND DANIEL AUTEUIL.
Foster jumps into it with a spiky vitality and an unexpected playfulness
that buoy the movie as much as Rebecca Zlotowski's zippy direction.
It's a pleasure to watch Foster."
-David Rooney, THE HOLLYWOOD REPORTER

"REMARKABLE! A NEW LANDMARK
IN FOSTER'S CAREER WHICH JUST
CONTINUES TO DAZZLE.
Foster is amazing with pitch-perfect French."
-Pete Hammond, DEADLINE
