

# “One call does it all!

I depend on Fred's Energy for so much because no matter what I need, **they take care of it immediately**. As a local Vermonter, I appreciate working with a local company I can trust, their variety of services, and how they take the time to explain everything. I'm also grateful for their extra tips on how to **prevent minor issues** from becoming **major problems!**

Thank you, Fred's Energy! ” – Jean C., Lyndonville
