38 SPECIAL LIVESTOCK TRAILER

A premium bumper hitch livestock trailer built to honor Eby's 1938 heritage. The 38 Special is a purpose built aluminum bumper hitch trailer engineered for safe livestock handling and confident towing in a compact footprint. Its strong structure, ergonomic features, and proven Eby quality give haulers a higher grade trailer they can count on every day. The name celebrates Eby's start in 1938 and the commitment to quality that has defined the brand ever since.
