## DS Service Coordinators

Looking for more than just a job? NKHS offers the opportunity to build a meaningful career while making a difference. We're seeking driven, compassionate Service Coordinators to support individuals with developmental disabilities across the Northeast Kingdom.

### RESPONSIBILITIES & SCOPE

- Conduct screenings and assessments to identify needs
- Develop and implement individualized service plans
- Provide orientation and support to consumers and families
- Coordinate services across providers, resources, and supports
- Deliver advocacy, education, and interventions in various settings

### QUALIFICATIONS

- Bachelor's degree or QDDP preferred, high school diploma with relevant experience considered
- Experience with developmental disabilities preferred
- Strong communication and organizational skills

Pay \$21.25 to \$25.97 (LNAs will receive additional compensation). Mileage reimbursement as well.
