

# *Card of Thanks*

For more than 54 years, *The Green Mountain Trading Post* provided a special forum for its readers: not only for advertising, but for home-grown stories and poetry. On May 7, 2026, the final edition of the GMTP appeared on local news-stands. To the editors, publishers, staff members and fellow contributors, **THANK YOU** for a half-century+ of entertainment. You will be greatly missed, but in the words of the inimitable Carol Burnett, "I'm so glad we had this time together." Best wishes on your new adventures!
