Dear School District Redistricting Task Force,

The Craftsbury Town School District would like to remain within a Supervisory Union within a larger governance region, under the terms of H.454 (now known as Act 73) as approved on June 16, 2025, by the Senate and House of Representatives of the State of Vermont and signed into law by Governor Scott soon thereafter.

The Craftsbury Town School District will work with our Orleans Southwest Supervisory Union board to reach out to contiguous school districts to explore combining into a larger supervisory union.

Our purpose is to optimize cost-savings and efficiencies where possible while maintaining local democratic engagement, oversight and accountability in order to achieve excellent educational outcomes for our communities' children and youth at a cost Vermonters can afford.

Sincerely,

Craftsbury Town School District Board
